

“Programming aired on WGEN-TV, WDLP-CA, and WGEN-TV's translator stations is subject to an "undue burden" petition that is currently pending at the FCC. As a result, according to FCC Rule Section 79.1(f)(11), that programming is currently exempt from the FCC's closed captioning requirements. Viewers experiencing closed captioning issues with any of WGEN-TV's, WDLP-CA's, or WGEN-TV's translator's programming that is closed captioned should contact the station using the following contact information:

For "immediate" closed captioning issues (such as garbled captions or captions suddenly disappearing), contact WGEN-TV Station Manager, Jacques Combeau, Telephone No. 305-293-4333, Fax No. 305-293-4007, [jcombeau@wgentv.com](mailto:jcombeau@wgentv.com). For closed captioning issues that are not of an immediate nature, contact WGEN-TV Station Manager, Jacques Combeau, WGEN-TV Channel 8, 527 Southard Street, Key West, Florida 33040, Telephone No. 305-293-4333, Fax No. 305-293-4007, [jcombeau@wgentv.com](mailto:jcombeau@wgentv.com).”
